SUMMARY

Frontend Developer with 2.5 years of experience in building responsive, high-performance web applications. Proficient in modern JavaScript frameworks, API integration, and crafting intuitive, user-focused interfaces. Adept at translating design concepts into clean, scalable, and maintainable code. Recognized for strong problem-solving skills, attention to detail, and the ability to collaborate effectively to deliver pixel-perfect, production-ready UI solutions.

EXPERIENCE

Frontend Developer
09/2023 - Present

Luminous Labs
Dhaka, Bangladesh

Company Description

- **Implement responsive and cross-device UI:** Ensure web applications and e-commerce platforms render and function properly across various devices (desktop, tablet, mobile). This matches their commitment to quality UI/UX and responsive solutions.
- **Translate design & UI/UX mocks into clean code:** Convert visual designs or wireframes into fully functional front-end code (HTML, CSS/SASS, JS, React/other JS framework) — pixel-perfect UI that matches the design.
- **Frontend development using modern JS frameworks / libraries (e.g. React, etc.):** Build and maintain interactive, dynamic user interfaces; manage state, UI-logic, interactivity, component reuse, etc.
- **API integration & data handling:** Connect frontend with backend services (APIs) to fetch, display, and update data — essential for web apps, e-commerce, dashboards, etc.
- Collaborative mindset and ability to work in a team with design, QA, backend, etc. — since their workflow covers all those phases

Frontend Developer Intern
03/2022 - 09/2022

Luminous Labs
Dhaka, Bangladesh

Company Description

- Luminous Labs lists **Web Application Development**, **E-Commerce**, **UI/UX Development**, **WordPress**, and responsive web/ software solutions among its core services.
- Their workflow goes through **Analysis → UX & UI Design → Development → Testing → Feedback → Refinement → Release**, which means frontend developers there get to work across design translation, implementation, QA and iteration cycles.
